E-LEARNING PLATFORM FOR STUDENTS

SLOBOMIR P UNIVERSITY

Welcome to the E-Learning Platform "Course" at Slobomir P University Banja Luka!

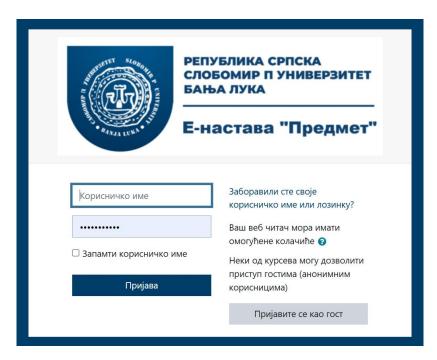

The following steps outline the procedure for first-time login to the **E-Learning** platform for users (students).

- 1. Navigate to the web address https://predmet.spu.ba/
- 2. The SPU **E-Learning** homepage will be displayed:

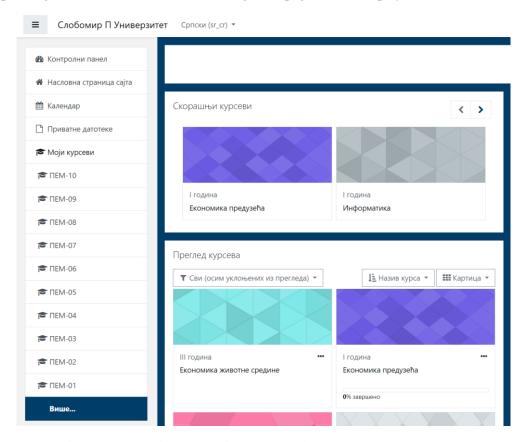

- 3. On the homepage, users may select the language and script to be used when working with the platform. Available options include Serbian in Cyrillic script, Serbian in Latin script, and English.
- 4. Subsequently, select the **Login** option in the upper right corner.
- 5. A page will open where access credentials are to be entered:

SLOBOMIR P UNIVERSITY

- 6. Enter the username and password provided by the dean/professor/teaching assistant/administrator.
- 7. After pressing the **Login** button, the E-Learning homepage will be displayed:

8. Browse courses (in Moodle terminology) using three methods:

SLOBOMIR P UNIVERSITY

- a. My courses a list of courses by code (e.g., PEM-04, PEM-05, etc.), located on the left side; the complete list is accessed via **More**...
- b. Recent courses a list of courses most recently or frequently accessed, located in the central section, with **arrows** for navigating courses left and right
- c. Course overview a list of courses with the most detailed information, located in the center, offering multiple options for viewing, sorting, and displaying the course list.
